

SMART ALL-IN-ONE
PLANT NURSERY
WITH AI

DIGITAL BHARAT KI **SMART NURSERY**

COMPREHENSIVE 24+ TOOLS FOR EVERY NURSERY NEED

SMART TALKING QR PLANT PROFILES

Let every plant tell its own story with QR codes - no staff assistance needed.

AI BUSINESS ASSISTANT

Your 24/7 nursery assistant. Get instant answers in plain language, anytime.

MULTI-STORE & ROLE-BASED ACCESS

Manage multiple nursery branches with separate staff roles from one secure login.

WEBSITE, DIGITAL CATALOG & E-COMMERCE

Sell plants, pots, and fertilizers online, without building a website.

POS, INVOICE & DELIVERY CHALLAN

Generate bills, invoices, and delivery challans in seconds from anywhere.

HRM, TASK & ATTENDANCE MANAGE

Manage staff, assign tasks, and track attendance without paperwork or WhatsApp follow-ups.

CRM - CAPTURE & CONVERT EVERY LEAD

Never miss a customer inquiry from walk-ins, exhibitions, or online channels.

PROJECT & SERVICE SUBSCRIPTION TRACKER

Track landscaping projects, AMC services, and recurring customer subscriptions with ease.

INVENTORY & STOCK MANAGEMENT

Track inventory, monitor stock levels, and know what's selling and what's running low.

REPORTS & BUSINESS INSIGHTS

Make smarter business decisions with real-time reports and actionable insights.

PLANT PRODUCTION MANAGEMENT

Track the complete plant lifecycle, from propagation and growing to harvesting & ready-for-sale production.

PLANT HEALTH & CARE MANAGEMENT

Monitor plant health, record treatments, schedule spraying, and maintain complete care history.
